N. B. P. W. Is World's Largest Business Women's Organization

The National Federation of Business and Professional Women's Clubs, which is sponsoring the fifth annual observance of National Business Women's Week...

According to Mrs. Margaret Gensler Dobrick, president of the local business and professional women's club, it now has 1,225 branches in an equivalent number of communities in this country...

While the National Federation of Business and Professional Women's Clubs is composed primarily of self-supporting women...

There is a real opportunity for those who like to sew and who would like to learn how to contribute something to the welfare of our local hospital...

The interest in Miss Chase's art lectures is growing. Better come out Wednesday evening, from 7 to 8, and enjoy a profitable hour...

The Federation has sponsored two important researches into the problems of business and professional women. The first was an inquiry into the occupational history of nearly 15,000 members...

By making a clean sweep in the 50-yard dash, the 660-yard run and taking a goody number of second and third places in other events...

A vital phase of the Federation's program is its educational work. Approximately \$300,000 accumulated in nearly 700 local scholarship loan funds throughout the country is used to realize the educational objective of the organization...

In the vocational field the Federation has taken almost unique leadership. Through vocational round tables held in connection with its Biennial Conventions and Regional meetings it affords the newcomer in business an opportunity to pool her experiences with experts in various vocational fields...

The students at the high school have been having the privilege of enjoying a great number of interesting and calls. On Wednesday, Miss Frieda Peycke, a composer and interpreter, gave an unusual program of beautiful poems with musical accompaniment.

A safety talk was given to the students in the 8th, 9th and 10th grades in the auditorium Friday. Mr. Hurchett, the speaker, lectured on safety both in and out of school. A test is to be given later on this subject.

Class and club pictures were taken for the annual Friday. The pictures were under the direction of Mr. Lenny, the local photographer.

EVENING HIGH SCHOOL

An economics class starts Monday, March 14, at the evening high school. Mrs. Stella Young, instructor of economics in the Torrance high school, will be the teacher.

The English class has almost transformed itself into an economics class. From 7 to 8 in public speaking we take up present day problems. There one may take part or be a listener.

Mr. Frowen held our interest in a discussion of Giannini and the present situation in the Bank of America. Additional facts were brought out concerning Mr. Giannini's recent come-back...

There is a real opportunity for those who like to sew and who would like to learn how to contribute something to the welfare of our local hospital. It was suggested that the ladies of the night school sewing class might like to work on garments for the hospital.

The interest in Miss Chase's art lectures is growing. Better come out Wednesday evening, from 7 to 8, and enjoy a profitable hour. Her subject next Wednesday is "What Did Spanish Art Gain from the Moors?"

Torrance Cees Run Away With Segundo Meet

Varsity in Whirlwind Finish Ties Score at 57 Points

By WILSON PAGE By making a clean sweep in the 50-yard dash, the 660-yard run and taking a goody number of second and third places in other events...

It is quite a treat to see this local star, Ted Yamamoto, in the 100-yard dash, shot put and low hurdles, and Mira in the broad jump.

Determination to win if possible, gave the Torrance Varsity a tie with El Segundo, the score being 57 up. When all the events with the exception of the mile run and the relay had been run off, the El Segundo scorekeeper announced the score as 46-26, El Segundo in favor.

Torrance's big weakness this year, as in previous years, lies in the field events, namely the broad jump, shot put, pole vault and high jump. When it comes to track events, they can usually be counted on to gather a few points.

At the relay meet held in Long Beach last Saturday, Torrance teams made a good showing, taking first in the quarter mile, and fourth place in the medley. The teams included Thompson, Lanz, Adamoli and Pete Zamperini in the quarter, and Thompson, Yamamoto, Acree and Lanz in the medley.

Keeping Up With Torrance High The students at the high school have been having the privilege of enjoying a great number of interesting and calls. On Wednesday, Miss Frieda Peycke, a composer and interpreter, gave an unusual program of beautiful poems with musical accompaniment. "We're Chums" and "What's in a Name?" were the selections which seemed to appeal especially to the students. A safety talk was given to the students in the 8th, 9th and 10th grades in the auditorium Friday. Mr. Hurchett, the speaker, lectured on safety both in and out of school. A test is to be given later on this subject. Arbor day was observed at the high school with a very interesting and call. Thomas McNeil spoke on the origin of Arbor day. After the assembly, a cherry tree was planted near the football field entrance to commemorate the birthday of George Washington. Class and club pictures were taken for the annual Friday. The pictures were under the direction of Mr. Lenny, the local photographer.
